Dear Parents, Staff and Children,

Family Fun Night

Congratulations and a huge thankyou to our amazing FOSW team for their hard work and tireless efforts in coordinating the Family Fun Night last Friday. Come rain, hail or shine, nothing was going to dampen the spirits of the group in putting together a wonderful evening for our families. Our FOSW team is extremely committed to our school and as our major fundraising group, assist us greatly in being able to provide resources for students. In 2015, we have already designated some of the funds raised towards the purchase of TV screens and Apple TVs to support the introduction of our BYO iPAD program and towards our school environmental projects.

Easter Raffle

A further thankyou to FOSW for their organisation of our annual Easter Raffle. Thankyou also to the many families who donated chocolates to help make up the hampers. Our many prize winners left assembly this morning with happy smiles.

Maintenance Works

Although we are still waiting for finalisation of the tendering process for our planned maintenance, some additional projects beyond the scope of works will commence these school holidays. The gym floor will be re-sealed during the term break and carpet tiles will be laid down the corridor of the Cornish St building. We anticipate all other works will commence during Term 2, with some being scheduled for the following term break.

Athletics

Unfortunately inclement weather on Friday meant we had to postpone our House Athletics Carnival. Mr. Payton has re-scheduled the event for Wednesday 13th April. A new notice was sent home on Friday. This must be signed and returned for your child to attend.

We wish all families a wonderful term break!

Inga Wilson
Principal

**YARN BOMBING**

Our fabulous yarn bombing is looking a little tired so we need to work together to make new woollen squares – they can be knitted or crocheted. Perhaps this could be a lovely school holiday project for you and your family. If you have any spare time to help repair and add to our yarn bombed poles please see Mrs Bronchinetti next term. After assembly or while you are waiting for your children after school could be perfect times to do a little sewing and stitching.

*Dianne Bronchinetti (Environment Co-ordinator)*

HOUSEMATES MEET & GREET

On Friday 11\textsuperscript{th} March, the teachers and house captains ran a big house gathering. Every age group from prep-6 met up with their house and was assigned a buddy from a different year level. We spent the hour making masks and playing games. Then everyone ate their lunch together. It was a fun successful day!

\textit{Chelsea & Ben Boeing House Captains}

On Friday 11\textsuperscript{th} March all of the grades met in their houses and got a special housemate. All the house captains made up some games and all the housemates had a great time. Everybody said it was nice to get to know each other a little more.

\textit{Summer Hercules House Captain}

Last Friday everyone in Hercules got a housemate. To get to know more about our housemates we asked questions like what their favourite colour is and their favourite animal. I thought it was a great day to get to know more people in our house.

\textit{Josh Lee Hercules House Captain}

Last Friday all the students at SWPS gathered in their sport houses. This was a session where we were meeting our housemates – it was a great session and the house captains had a big role in helping the teachers organise the activities and the students. We all really enjoyed it and I’m sure everyone had a lot of fun!

\textit{Chelsea Concorde House Captain}

Thankyou to everyone in Douglas for helping the Preps, Ones and Twos make a mask, and with the other activities. It seemed like everyone had a good time and are looking forward to meeting again!

\textit{Justin Douglas House Captain}

In our Integrated Studies book we did a double page about meeting our House Mates. On one page we coloured in the friendly bear. On the other page we wrote: On Friday 11\textsuperscript{th} March I met my new House Mate. His name is Lincoln. We made masks together. We had lots of fun together. I cannot wait until we meet again!
