Dear Parents, Staff and Children,

End of Term
It’s hard to believe that we are already half way through the school year. It’s been another busy term with excursions, sporting events and of course the start of our Wakakirri Artist in Residence program. Next term we will begin planning for our Sunbury West On Show Expo which is on the calendar for Term 4 on the 20th October. This will be an open evening to showcase student learning across all areas of the curriculum with demonstrations, displays and performances. Please keep an eye out for more info next term.

In the meantime, we wish all our families a good winter’s break and above all else, keep warm! Reminder that students will be dismissed at 2.30pm on Friday.

Regional Cross Country
Last Wednesday Indya Hildebrand and Grace Azzopardi headed off to Bundoora Park to compete in the Regional Cross Country. Grace came 23rd in her 2km event for her age group and Indya placed 12th in her 3km event. This is an excellent achievement in itself and both girls enjoyed personal success on the day. Indya will now go on to compete in the State Finals on the 14th July. We wish her every success on the day.

Planned Maintenance
Most of our planned maintenance works are scheduled for the holidays. Some of this will include painting of the lower walls in the gym, painting of toilets and re-sealing of the toilet floors in the Woodlands building, reinstatement of the drain outside the gym and some other works involving the replacement of materials, etc. Regrettably, we have to remove the Manchurian Pear trees along the Woodlands building as the root systems are causing structural damage to the building. Four of these trees bear an important significance to the school as they are in memory of former students who lost their lives in accidents. With the greatest of respect, we will reinstate the pavers bearing the names of the boys and re-plant a new tree / shrub in their honour once all works are completed.

Emergency Management Contacted Re Unauthorised Vehicle in Car Park
Last week, an unknown car was in the staff car park and the occupant appeared to be taking photos down the side of the school. As this was the second report we had of a similar nature, we contacted emergency management and reported the vehicle. The normal course of action is that this alert is then sent to all schools. In this instance, police also contacted us and asked for further details in relation to the vehicle.

On this occasion, as we subsequently found out, the vehicle belonged to one of our parents who was parking, unauthorised, in the staff car park. We have asked parents on multiple occasions not to park in the staff car parks as it is an extremely dangerous practice. Our staff, and other parents become very frustrated and angry when they watch children run across the car parks, only to have cars backing out at the same time. Parents need to consider responsible behaviour and not jeopardise the safety of their own children and others. We are also receiving reports of parents arguing in the car parks and once again, we need parents to consider their conduct on school premises. School Council has already discussed offensive parent behaviour and have agreed to issue warnings to parents not complying with school policy and rules. This may now also be extended to parents who continue to engage in unsafe and unauthorised practices. Further action might also involve trespass warnings to parents. We have asked for parent cooperation in this matter on a number of occasions but will now need to consider more formal options.

Being the last week of term we have limited stock so please do not be offended if we have to consult with your child to substitute something they may have ordered.

**HELP WANTED**

We are in great need of volunteers in the canteen on Fridays. If you could spare a couple of hours on a Friday (does not have to be every Friday), please contact Allison to put your name on the list, she would really appreciate an extra hand on our busiest canteen day.

Qkr! has had an update!!

Next time you update your apps your Qkr! app will look different. All the functions are still available it will just look different on the screen. See pictures below for examples of the new updates. Qkr! is a free app used to make payments to the school for excursions, camp, lunch orders etc. It has been designed to make your life easier with secure payment options at your finger tips!

Home screen: Our school will appear at the top of the home screen for currently registered users, but note some new terms like “Discover” and “Activity” as Qkr is being used increasing by non school merchants around the world, so the design has been modified to cater for users in a wide range of industry sectors.

Product selection screen: This screen will now be more efficiently used to make scrolling through a large list of products easier.

Receipts will in future be stored under the “Activity” tab. Your old receipts will still be accessible from this area.

There is one feature we have always had but few people knew about, and that is the ability for busy parents to copy all of last week’s food orders to next week with the click of one button. This is made more visible in the new app with the words “Repeat Order”
