22nd August 2016

Dear Parents, Staff and Children,

New Playground
We officially opened our new playground today. This morning all grades were encouraged to explore our new fitness/adventure playground. We have put a timetable in place that ensures all students have the opportunity to explore this new space. Mr Payton is looking forward to using this new equipment during PE sessions.

5/6 Summer Sports
Last Friday our Grade 5/6’s participated in the Sunbury Schools Summer Sports Program, unfortunately the Kanga Cricket and the Softball were rained out. These will be rescheduled for the 2nd September. In the basketball our boys won the small schools, and our girls team came 2nd. Volleyball competed well and both teams had a win. Handball also had a very successful day coming 4th overall. Congratulations to all students who competed, they represented the school well.

Wakakirri
Chookas to our Wakakirri performers who tonight will be performing at the Moonee Ponds Clocktower at 7pm. The students are to be congratulated on their effort and enthusiasm. We will be sharing their performance with the School Community at our Sunbury West on Show evening in October.

Did you know...

If you are not paying via Qkr! when returning excursion notices please ensure you send the notice and the payment together as this will assist both the classroom teacher and the office to keep track of notices and payments. Notices come via the office and are not given to the classroom teacher until they are stamped PAID. It can often be confusing for both the office and the classroom teacher when payments and notes are received separately.

At the moment we have a number of permission slips (especially for Roald Dahl) that have been returned without payment.
GARDENING CLUB

Our hardworking Gardening Club members continue to help make our school look fabulous. They have been digging and shovelling dirt and granitic sand this week. The granitic sand is going on the walkway between the playground and the gym so that when it rains we don’t have any puddles. Soil has been put into our orchard area and we will be planting more fruit trees and a passionfruit vine for this area. Soil is also being put in the garden area between the Hub and Cornish St where we will be planting more plants. A big thank you to all our wonderful children in the Gardening Club – you are making a big difference to our school!
